## OBJECTIVE

---

I am skilled chemist with experience ensuring top-flight quality control and processing, looking to leverage my knowledge into role as processing or analyst chemist

## EXPERIENCE

---

11/03/2023

-

10/06/2023

- **Chemical engineer**

Chemical engineer at Alasala drinking water technology in Oman

- Managing reverse osmose system
- Remineralization of RO water
- Performance of physical chemical analysis of water before and after filling in bottles
- Performance of microbiological analysis of water before and after filling in bottles
- Drafting SOP of laboratory
- managing cleaning and sanitization
- fulfillment of results

08/2019

-

08/2022

- **Production manager**

IMGSA PHARMA , powder for injections site. ALGERIA

- Monitoring the good functionality of water treatment station and the water analysis.
- drafting SOP and instructions of production service.
- The contribution of of training new recruits.
- The contribution of launching new products.
- The contribution of increasing the production capacity.

12/2017

-

06/2019

- **Technical Sale representative**

CLCM , Antiseptique production and distribution analytical instruments, ALGERIA

- carry out sales analysis and prospect new customers.
- installation and verification of analytical instruments.
- ensure a client-centric approach.
- develop new point of sale.

11/2016

-

11/2017

- **Production supervisor**

ALEMBIC MAMI, dry form site , ALGERIA

- Supervision the daily production launching.

- Review the batch records after production.
- Drafting new batch records.

10/2012  
-  
07/2016

- **Quality control manager**  
JANISMED PHARMA, dry and liquid form, ALGERIA
  - Utilizing various testing methods to drive chemical processing.
  - Leverging strong knowledge of diverse operating instruments: HPLC, UV-VISIBLE, IR...
  - Drafting SOPs and use instructions of QC lab.
  - Lauch the order of: glassware, reagents, standards...
  - Review analytics protocoles.

12/2009  
-  
08/2012

- **Line chief**  
NEOMEDIC , Dry and ointment form
  - Execute the production program starting by dispensing, granulation following the compression and blistering.
  - fulfilling the batch record during the production.
  - Performing full cleaning after production.

## EDUCATION

---

2008

- **Bachelor's of science in pharmaceutical chemistry**  
Brother mentouri University  
C

## SKILLS

---

- Hard working
- Strong communication skills.
- Problem solving.
- Team working.
- Self motivated.

60%

## PROJECTS

---

- **Validation of Quality control laboratory**  
By establishing documentry system and launching analysis of new batches also training new recruits we succeed to get the validation from the National laboratory of pharmaceutical products in Algeria

## LANGUAGES

---

- ○ Arabic » Native. ○ English » Intermediate. ○ Frensh » Intermediate.
